

Internship Guidelines and Application

PROGRAM DESCRIPTION

The Seattle Art Museum offers part-time internships during both the summer and academic year. The Museum seeks current students and recent graduates. Knowledge of a foreign language may be helpful.

SAM's internship program offers <u>unpaid</u> internships, unless the internship title specifies that is it a paid internship. Students may be eligible to earn academic credit. Credit is managed through individual academic institutions, and students are required to coordinate all details of receiving credit.

SAM's internship program provides students with a wide range of opportunities and experiences. Internship experiences may include researching artists, exhibitions, and programs, conducting market research, or writing press releases. Interns may also engage in forums for developing workshops, tours, lectures, dialogues, symposia, curricula, performances and other interpretive public programs that cater to a variety of audiences.

ABOUT THE MUSEUM

The Seattle Art Museum provides a welcoming place for people to connect with art and to consider its relationship to their lives. SAM is one museum in three locations: the Seattle Art Museum is located in downtown Seattle, the Asian Art Museum is located in Volunteer Park, and the Olympic Sculpture Park is located on the Seattle waterfront. SAM collects, preserves and exhibits objects from across time and across cultures, exploring the dynamic connections between past and present.

PLEASE NOTE

- SAM does not provide travel, relocation or housing assistance for interns.
- Internship time commitments vary between minimum 8 hours per week to maximum 35 hours per week. Selected interns will coordinate their schedule with their intern mentor. Refer to the individual position descriptions for more details.
- Current SAM staff cannot be considered for unpaid internships.
